

Retail Sales And Inventory Project analysis

1. Inventory & Stores

- Maharashtra and Karnataka have the **highest stock levels**.
- Some stores are **overstocked** with certain brands — optimize distribution.

2. Discounts & Pricing

- **Average discount:** ~7%.
- Indicates moderate promotional pricing.
- Top-priced products are **premium bikes** and high-end models.

3. Customers

- **Highest customers:** in Mumbai, Bangalore, Hyderabad.
- Strong urban presence — expand to Tier-2 cities.

4. Orders & Sales

- Orders **peak in Nov–Dec** (festive season).
- Staff “Ananya R.” handled the most orders — top performer.

5. Staff & Activity

- ~80% of staff are **active** → stable operations.

6. Overall
